

Community Message Board

Information for character generated announcements may be submitted by any non-profit persons, groups or organizations, charity events, educational services, governmental agencies, and emergency management systems within the GPAT Wave Channel 5 viewing area. Public notices, city sponsored or co-sponsored events, public service informational bulletins are all examples of announcements that can be submitted to the channel for cablecast.

Requests for announcements must be submitted one week in advance of the desired air date, except in the event of emergency announcements. Emergency messages will be given priority over all other announcements and programming. Requests for emergency announcements must be made by the city's Mayor or Safety/Service Director of their designee.

Community message board announcements may be submitted by using the GPAT Wave Channel 5 *Community Message Board Public Service Announcement Form*. Completed forms can be submitted by postal mail, email, telephoned, faxed or personal delivery to:
