*MEMO*

*June 30, 2020*

In light of the current health pandemic, there will be no charge for digital copies of bid documents and/or plans. If there is a request for actual paper copies then there will be a cost associated with that. Please note, you must notify Katie Benge (by phone or email) that you would like to be considered a plan holder and that you plan to bid. Additional information may be required.
