

City of Greenville, Ohio

SANITARY SEWER LINING PROJECT

ADDENDUM #2 – December 28, 2016

1. The five companies who have sent pre-qualification information for the City of Greenville Sanitary Sewer Lining Project include: Aegion, Insight, InLiner, Saertex, and Lake County Sewer Company's Fast Pipe.
 - a. Pre-qualification approvals were given to Aegion, Insight, InLiner, and Fast Pipe.
 - b. UV Cured Liner (Saertex) will be considered next time we bid a lining project.
2. Manhole J17 is a clean out at the end of the run.
3. Lake County Sewer can grout 6" lateral lines. There could be others. Lake County Sewer Company's phone number is 440-585-5757.
